

Mother'sjoy UIF Claims Reg No: 2007/099348/23 is an agent designed to assist you claim your UIF benefits from the Department of Labour. After battling with UIF claims, we came to realize that most people find it difficult to go and wait long queues at the UIF offices. They end up not claiming their benefits due to time constraints and that result in financial stress. .

Mother'sjoy take the stress away from you; by submitting all the relevant forms to the Department of Labour on your behalf and make sure that money is deposited into your nominated bank account every month for the duration you are on leave

Mother'sjoy appeared on the UIF awareness campaign on SABC1 program called "**Yilungelo Lakho**" {Its your right}, an awareness campaign to help people know their rights to claim UIF. Mother'sjoy issued articles about UIF on different magazines .e.g. Clicks ,Dischem and pregnancy magazines.

Mothersjoy UIF Claims is **NOT** the department of Labour, we act as a middle man between the Department of Labour and the applicant .The Labour Department still make a final decision on your application including the time frame it will take to process your application.
